3003 **Connecticut Copper Selection.** All different, all scarce, but they do have some problems and must be seen. **Sold as is, no returns.** [8]
1) **1786** Miller 5.9-Q. **VG detail,** uneven strike. Cleaned long ago. Porous surfaces. Partial date shows. 2) **1786** Miller 5.10-P. **About Good or so,** the reverse weakly struck, and the edges are a bit rough. 3) **1786** Miller 5.11-R. **VG,** perhaps better. Natural brown. Softly struck. The date is not visible. 4) **1787** Miller 22-g.2. **Good to VG or so,** but off-center, and the surfaces are very granular. 5) **1787** Miller 25-M. **Fine detail,** but struck off-center. The reverse detail is weak in spots. Slightly bent, and the surfaces are granular, with some areas of verdigris. 4) **1787** Miller 4-L. "Horned Bust".**VF, perhaps better,** but there is a dig in the neck.

3005 **U.S. Colonial State Coinage.** [3]
Connecticut: 1) **1786 Bust Left.** Miller 5.4-0.1, Rarity 2. **Fine+.** 2) **1787 Mailed Bust Left.** On a small brassy flan. **About VF,** small reverse porous spots. **Massachusetts.** 3) **1787 Cent. Fine,** porosity in the fields by the Indian's head. The edge hand reeded. Includes old collector's envelope.

Half Cents

3006 **1800 Half Cent. VF/EF.** Dark, and there are a few very light rim scrapes, hardly distracting.

3007 **1806 Half Cent, Small 6, Stems. C.2.** Struck on a porous planchet. The date is clear, but "LIBERTY" is somewhat obscured. Rarity 5.

3008 **1809 Half Cent, 9 Over 6. Very Fine or so.**

3009 **1851 Half Cent. Choice Extremely Fine.** Light brown and red surfaces. Sharply struck.

Large Cents

3010 **1794 Large Cent "Head of 1794".** S.21. Light, natural brown, with **Extremely Fine** detail. Perfectly centered, and remarkably free from rim nicks or contact marks of any kind. Struck on a planchet that had a few air bubbles in the copper. The result is a few shallow surface depressions on the obverse, and some grainy areas on the reverse. Would be worth well over $2,000 if the surfaces were perfect. **(Photo)**

3011 **1794 Large Cent.** S.68. There is a well-healed scratch, almost horizontally across the wreath, and the coin characteristically lacks central detail on both sides. **Fine or so,** graded by the detail in the date, denticles and ribbon. **Scarce.**

3012 **1795 Large Cent.** S.77. **About Fine,** with slightly grainy surfaces. There is a minor nick in the rim at 10:00, and a 3mm scratch below the "E" in "CENT", and the planchet is slightly elongated.

3013 **1796 Large Cent.** S.94. Rarity 6. **About Good or so.**

3014 **1797 Large Cent, Reverse of 96. Gripped Edge. VG-Fine detail,** though the left side of the coin is weakly struck, and the planchet is slightly convex. There is a small rim bruise below the first "1" in the date.

3015 **Draped Bust Large Cent Sheldon Varieties.** [2]
1) **1797** S.126. **VG or so,** but on a dark planchet. 2) **1798** S.177. **Fine or so,** but very dark, with granular surfaces.

3016 **1798 Large Cent, 2nd Hair Style. Fine or so.** Light to medium brown, slightly porous surfaces. There are two very minor rim nicks near the top, hardly distracting.

3017 **1802 Large Cent.** S.225. **Fine.** Characteristic weakness at the top of the obverse and on the corresponding area of the reverse.

3018 **1810 Large Cent, 10 Over 09.** S.281. **Very Fine,** the reverse perhaps better. Light red-brown, orange-brown and gray surfaces with just a touch of porosity.

3019 **1810 Large Cent, Normal Date. Fine.** Light brown devices contrast with dark brown fields, clear and problem-free.

Please see our separate catalogues for Session I-Currency- Lots 2001–2273, and our CPMX sale #148 in Chicago, February 23, 1996. Lots 1001–1496.

4) We reserve the right to withdraw any lot prior to sale.

5) All successful bidders shall be billed for postage, handling and insurance.

6) **We cannot be responsible for the loss of any merchandise shipped outside the United States.**

7) **All framed items are shipped at the purchaser's risk.**

8) SMYTHE reserves the right to **reject any bids not made in good faith and further reserves the right to ban any bidder from participation in its sales for any reason deemed appropriate at our sole discretion.**

9) A SMYTHE auction bidder expressly waives any claim or right to any accounting, damages or compensation arising out of SMYTHE'S failure to receive or execute any bid due to exclusion from our sales, clerical errors or other causes. No bids will be accepted from any person who has not signed a registration form or a bidder sheet.

10) United States coins and currency will not, in conformity with law, be opened at less than face value.

11) No "buy" or "unlimited" bids will be accepted. We will act as agents for all mail bidders in the sale. Mail bids will be opened at the next interval over the second highest bid except where the intrinsic or regular market worth of the item dictates an opening at its fair market value. Floor bidding intervals will have an average increment of about 5% at the discretion of the auctioneer.

12) In the case of a tie between a mail bidder on the book and a bidder on the floor, the mail bidder shall take precedence.

13) **All bids must be in whole dollar amounts; this includes percentage increases.**

14) **Check your bid sheets carefully. We can not assume any responsibility for errors made in the amount bid or lot numbers listed. Make sure your sheet is signed.**

15) No minors may participate in our sales. **Agents bidding on behalf of others will be held liable if their principals fail to make payment.**

16) Payment for purchases is to be made by cash, check, money order or bank wire upon receipt of invoice. No lots may be taken away unless paid for in full. A late charge of 1-1/2% per month will be charged on the invoice total if payment is not received **within 10 days** of mailing the invoice. Bidders not known to us are required to deposit 25% of their total bids in advance. Credit cards will not be accepted for auction purchases.

17) Title does not pass until payment in full is received. SMYTHE reserves the right to await clearance of any check before making delivery.

18) If a collection agency or attorney is required to collect outstanding accounts, all agency and court costs, witness and attorney fees and all other costs of any kind incurred by SMYTHE in procuring judgement shall be borne by the defendant. The signer of a SMYTHE bid sheet or participant in the auction concedes the jurisdiction of the courts of the U.S. in New York City or the New York State courts as SMYTHE alone shall elect. The participant in a SMYTHE auction also assumes both corporate and personal liability for unpaid auction bills.

19) SMYTHE may reopen the bidding on a lot under the following circumstances: 1) SMYTHE has failed to execute correctly a mail bid. 2) A party purchasing the lot on the floor has done so in error. 3) Where a protest is made after the hammer has fallen but before bidding has commenced on the next lot. 4) Where the auctioneer has determined that he has overlooked a party still bidding on the lot but before the calling of the next lot. 5) At the discretion of the auctioneer.

20) In the event of dispute, the auctioneer's decision is final.

21) New York State sales taxes or other state sales or use taxes shall be levied, as required by law. Dealers and other non residents are reminded that sales tax must be collected unless Form ST-128.1 has been filed properly, under regulations effective 1 December 1982.

22) No price adjustments will be made on the hammer price of a lot whether there is a complaint about the whole lot or only one item in it. The entire lot must be returned if a refund is to be made.

23) In the event of unsuccessful litigation the plaintiff shall pay SMYTHE'S legal costs, counsel and witness fees and all other costs incurred by it in defense against such suit together with interest on any funds expended at the New York prime rate from the date of actual disbursement.

24) The same protections applicable to SMYTHE apply to each and every one of their officers and employees unless they shall be convicted of knowingly selling false or stolen goods.

25) SMYTHE assumes no liability for merchandise lost, stolen or damaged while in the possession of a party to whom merchandise has been shipped. The purchaser is solely responsible for the safe keeping and insurance of any items in their possession.

26) All accounts are payable to SMYTHE in U.S. funds and remittances must cover the service charges for foreign drafts which shall be added to each invoice.

27) All material in this catalogue is unconditionally guaranteed to be genuine.

28) No lots may be returned by floor bidders except for non-authenticity.

29) Mail bidders may return lots for reasons of non-authenticity or improper description within 5 days of receipt or thirty days from the auction's last day, whichever comes first. Failure to execute this privilege in a timely manner either from a failure to pay promptly or from any other cause shall void it.

30) In cases where a question has arisen as to the authenticity of an item, the purchaser must, before settlement day (30 days after the sale,) notify SMYTHE of his intention to return the item, confirmed in writing. The item will be examined by a recognized expert; if the item proves authentic, the sale will be consummated. If the item is not authentic, the sale price will be refunded.

31) The auctioneer reserves the right to postpone the sale by auction for a reasonable period of time as a result of any significant event which, in the sole discretion of the auctioneer, makes it advisable to postpone the event. No prospective bidder or prospective buyer shall have recourse as a result of any postponement.

32) The placing of a bid shall constitute **full acceptance of the foregoing terms and conditions of sale.**
